Plaintiff,

v.

U.S. DISTRICT COURT  
C.A. No. 04-10631 GAO  
DISTRICT OF MASS.

George W. Bush,

Defendant

and gabbled.

## APPEAL ORDER OF DISMISSAL

Obviously, United States District Judge George J. O'Toole, Jr. has confused complaints. The United States of America owes me worship, that is reverent love and devotion for my being a deity, a Seraph. Honorable O'Toole has failed to read. Accordingly, I shall not pay the appeal fee nor strive for redundant ground.

Honorable George O'Toole thus upholds President George Bush in maintaining:

1. Mary B. Boardwick empowered against the Law and against criminal charges, which are secret only for President Bush.
- It is not true Executive Power does not pursue justice actions. There is criminal judgment against Boardwick at Essex Superior Court.
- Mary B. Boardwick has defied the Law by violent means infinite times. She, the flesh of the devil, would not stop before any reason, any call for rest. Boardwick drives faster than a bullet thus exploiting in terror private land of 88 Old Essex Road in Manchester-by-the-Sea.

Mary Boardwick is illegally uplifted to selectmanship, ultimately by President Bush. Boardwick raised her public salary in the order of 40% while in power to collect about \$ 50,000 a year in jubilee. Honorable Justice Robert Cornetto had pitched all criminal charges against her, including ATM. Only under opium, Honorable O'Toole can conclude there is no illegal empowerment of Mary B. Boardwick by the Executive Power when there has been empowerment as of the moment.

Parroco v. Bush C.A.04-10631-GAO

2. Malcolm D. Soriega empowered against the law and against criminal charges of homicide and honor abuse which are also secret only for President Bush.

\* or true  
It is not real \* Executive Power does not pursue justice actions. There is a Restraining Order against Dr. forma Parroco, Tiara Holly by Bush's Order, which illegally uplifted dangerous homicide Soriega to be sole custodian of my two daughters, to use my capital for months, and ultimately be admired.

Malcolm Soriega does not identify with the technological potency of Bill Gates in any case.

Malcolm Soriega, O God, has an incest with Dominique Kocia of nine years of age. Dominique is being murdered with the oversight of President George W. Bush, Jr.

Soriega has killed,

has raped,

has abused,

has stole money,

has enslaved,

has taught my daughters to kill,

has rejoiced incest himself.

Then, only under opium, Honorable O'Toole can conclude there is no illegal empowerment of Malcolm D. Soriega by the Executive Power when Soriega has been empowered as of the record.

Honorable Justice O'Toole has failed to release Tiara Holly from unlawful restraint and tangle configuration duteous to Parroco's Habeas Corpus. Malcolm Soriega has in his possession the bank book of joint account 0200011461 with a current balance of \$ 3564.00. Patricia AMBROSE, CEO of Manchester office of Cape Ann Savings Bank has denied me

pono v. Bush

C.A. No. 04-10631-GAO

3. President Bush by refusing sending Dr. Pono money while in France, he did forsake me and did break the covenant that existed between the United States and forme pono Simon-prisceux Kergorov-Penglan.

Honorable O'Toole presumably acknowledges there is a covenant between the President of the United States and each and every of her citizens.

President Bush caused me physical and non-physical pains conducive to death.

Dr. Pono does not grant to anyone access to her medical records kept in the United States, in Argentina, in France, or any other country for that matter. The freedom of protecting or preserving her genome shall prevail in any foreign country aside of the national legislations.

Blood tests fasting with specimen collection date April 16<sup>th</sup> 2004 at 10:44 AM produced ABNORMAL final results. Summarizing them:

5 → COMMENT

specimen exhibits moderate hemolysis.

Potassium, LDH, Magnesium, AST, Total Protein,

CK and Inorganic Phosphorus may be falsely elevated.

Glucose may be falsely decreased.

Please use caution when interpreting result.

President Bush has not only empowered ~~Calvin~~ Malcolm D. Soriega with a wicked 5-star honorability so abusing his executive power, but also tortured Dr. Barroso with legal instruments and sinister malpractice to a degree comparable to that suffered by victims of Hitler's fascism.

President George W. Bush has tortured Dr. Barroso in France and the United States to DEATH.

Honorable George O'Toole did fail to demonstrate this cause is purely rhetorical.

Dr. Barroso is on the brink of developing a nasty disease.

Dominique Lucia is being abused with too much cruelty.

Christiane Gabriela is being abused with too much cruelty.

Her daughters are being emotionally disturbed at deep level and the innocent victims of genocidal experiments. God protect them.

Why I seek Justice O'Toole why?

Why Defendant restrains any contact?

Why Defendant restrains any money?

Parroso vs Bush c.a. 04-10631-GAO

President George W. Bush has acknowledged an illegal Restraining Order against Tiara Holly, Dr. Soriano Parroso Simon-Priseux Kergaravat-Benglan, which has caused pains conducive to death.

The United States left me dying homeless, with no money at Logan Airport on March 8<sup>th</sup> 2004, the day I arrived from France, for months and months ahead. Dr. Soriano Simon-Priseux Kergaravat-Benglan was in need of clothes, shoes, good food, be back home with her loved daughters, and money for medicines and beauty care.

Sergeant Andrews together with another Police officer entered 93 Pine Street, Falmouth-by-the-Sea, Massachusetts 01940, and fiercely violated Dr. Soriano Simon-Priseux Kergaravat-Benglan and her legal authority by means of brutal force. It is cruelty and torture for those Police to grant Tiara Holly no legal authority whereas acting like Nazi commanders. Tiara Holly suffered that evening of March 8<sup>th</sup> 2004 a neurological attack that put her close to death.

Sergeant Andrews must be executed for his violent attacks on my innocence. Andrews is a beast who suffers the paranoia of believing himself superior. He is a dangerous animal with portable weapons.

Andrews, the second officer, Joseph Gielo, Ronald Ramos denied me food that night March 8<sup>th</sup> 2004, denied me food next morning March 9<sup>th</sup> 2004, denied money and food for the night of March 9<sup>th</sup> 2004 and food for the following morning March 10<sup>th</sup> 2004. There has been a killing plot.

Only under opium, Honorable D' Toole can conclude there is no illegal empowerment of Malcolm D. Soriega by the Executive Power when there has been empowerment as of the record.

parroso v. bush C.A.04-10631-GAO

Honorable Justice John D. Keeley has instrumented the illegal empowerment of Malcolm D. Soriega even further by filing a false complaint raised by homicide Soriega against Dr. parroso Simon-Prioux Kergoravat-Penglon at Salem District Court.

Persecution of Dr. parroso Simon-Prioux Kergoravat-Penglon, of royalty pedigree and divine nature, has reached madness.

Photos and more photos from every angle imaginable, secret tapes of Tiara Holy sleeping or naked on a prison toilet, more fingerprinting, more psychological torture, more violent arrests ...

- President George Bush must be restrained and processed for murder.
- Justice Keeley must dismiss Soriega's false complaint right away.
- Tiara Holy must be granted access to her bank accounts and accounts Soriega opened on his own at Beverly National Bank. This is a life or death issue.
- Tiara Holy must be reimbursed the lodging expenses at CLIPPER SHIP INN in Salem, Massachusetts, at a weekly rate of \$ 275 for 6 weeks and a weekly rate of \$ 250 since May 3<sup>rd</sup> 2004 onward.
- Tiara Holy must be returned her motherhood.
- Malcolm Soriega must be restrained and processed for murder.
- Sergeant Andrews must be restrained and processed for murder. Same 2<sup>nd</sup> Police.
- Gary Wardwick must be restrained and processed for murder.

Dr. parroso Simon-Prioux Kergoravat-Penglon has accepted God our Lord in marriage of love since 2000 forevermore!
